—Mr. C. E. Clary, who has been operator at the L. A. depot, resigned to accept the position of yard master for the same road. He began his new duties yesterday. His place as operator is being filled by Mr. Clary.

—A party of desperado took possession of the house of William in Breathitt county Saturday, shot into the houses and forced the citizens to flee to the mountains. Capt. Lupton, with a detail of six militiamen, went to the scene and arrested two men.

—Shackelford & Co. are headquarters for all kinds of groceries. They sell all kinds of goods from \$6.00 to \$10.00 and sell you goods you want, at all prices. Carriages, we can give you any make and any size, and you wish. Come here and see our goods.

—The Lark and Water Hamilton of the firm of Lark & Hamilton have gone to Carlisle to open a new branch store. The new branch has done a remarkable business since their opening in this city the first of the year. They are making money from back and we wish them all the success possible in their venture.

A girl in town near Winchester is known as the "Climax" Monday that Mr. T. H. Williams, Jr., would be tendered the nomination for Circuit Court Clerk of Elliott county. If he is a Democrat in Elliott he can be elected to a county office. It is Mr. Williams, and represents a Democratic victory in that county never before.

Barney Garrison.
The Youth's Christian association convention of the Christian church will convene at this place September 9 and 10. The district is composed of counties of Lincoln, Garard, Rockcastle and Madison.

Our town was visited by heavy storm Sunday last week. The thunder and lightning accompanied by considerable wind. Out in the country there have been reports of lightning striking barns, killing, and a male and calf belonging to Mr. Jack Freeman, of this place, were instantly killed.

Public Speaking.
Hon. Frank Peake and Hon. John D. Carroll will speak at the town home next Monday, county court day, at 1:30 p. m. Everybody invited.

Walter School.
The Walter school will begin its next session Wednesday, September 2, at 8 o'clock. All students who are to attend are strongly urged to be present at the opening.

Leveled Deputies.
The still C. E. B. Walters, alias the city of Lancaster for \$100.00 for injuries sustained by falling into a ditch cut for a sidewalk curbing, resulted in a verdict for the plaintiff to the amount of \$1,000. The case will be appealed.

Forty-Two Additions.
The projected meeting which has been in progress at New York, closed and went with forty-two additions. This was a most wonderful record, as the meeting continued only a single night.

Hugh McCallan. of this city, conducted the service and the result speaks well of his power as an orator. He will go to Harrodsburg this week to hold a series of meetings.

Each Senator for Two Years.
After more than four hours' deliberation the jury in the Caldwell Powers case at Georgetown returned a verdict Saturday morning finding the prisoner guilty and fixing the punishment at death. A formal motion for a new trial was made and overruled. Special Judge Phillips announced the verdict on Wednesday, November 25.

An appeal was granted and the defense was given until the eighth day of the October term of the Scott circuit court to file a bill of exceptions. This suspends the sentence pending decision of the appeal.

Ammon For Jail.
In this issue of the Climax will be found the announcement of Mr. Robt. H. Terrell, Jr., for jailer of Madison county, subject to the action of the Democratic party. There is not a more popular man in Madison county than Robt. Terrell, and besides his genial disposition, he has had six years experience in the jail.

A New Firm.
Mr. J. S. Joplin has sold his magnificent stock of furniture to Messrs. W. L. Crutcher and G. W. Evans, Jr., who will continue the business at the same stand. Mr. Joplin has very much enlarged himself to the people of this city since his removal here, and has, during his four years business career, treated his customers with honesty and polite attention, and he has had a most excellent citizen, progressive in every respect. We trust that the deal will not remove him from our midst, as the loss of him and his charming wife would be a serious loss to the firm. We are sure that both of the new owners are well known to the community and are well known to the community and are well known to the community.

On last Saturday. Capt. E. J. Ewen was called here to see his invalid sister, Mrs. Minnie Johnson, of this city. He had been operated on for a complication of disease, the operation resulting fatally. Mr. Johnson died at 3:30 that afternoon. Her remains were taken to London, Kentucky, for interment and were accompanied by Capt. Ewen, who, in his turn, was shown all the sights of the city. He was a very well known man in this city, and his death was a great loss to the community.
